

## International School of Kenya Student Wireless Access Request

I request access to ISK's wireless network for use on my personal Wi-Fi capable device.

I understand these terms are in addition to, and not in place of, the ISK Responsible Use Agreement, and my access may be terminated if found in breach under this policy.

I will maintain an up-to-date virus/malware scanner and protection software application, and will not load software that may compromise the security or integrity of, or cause undue load on, ISK's wireless network.

I understand that I may not use my computing device during class without permission of my teacher. Use of the device without permission of the teacher may result in loss of network privileges.

If I allow others to use my private Wi-Fi device, I may be liable for their usage.

I will not hold ISK liable for any loss or damage to my personal device, including data from my personal device.
