ISK Library Kindle Agreement for ISK Students

The library is happy to be able to offer the use of Kindles to ISK Students to provide newly published books and urgently needed books.

We ask parental permission before loaning Kindles because of the added responsibility involved in borrowing one. Please read the terms below and sign, if you would like your child to be allowed to borrow one.

- ✓ *Students are expected to take special care to ensure the security and safety of the Kindle. It is recommended it be kept at home, except when returning/checking out.*
- ✓ *Content may not be added to, or deleted from, the Kindle.*
- ✓ ***Students who check out Kindles are responsible for paying the replacement cost of the Kindle if it is lost, stolen or damaged. The charge will be \$70 for damaged Kindles and \$100 if the case needs to be replaced.***
- ✓ *We supply a fully charged Kindle. The charge should last the time it takes to read the book. If the Kindle needs re-charging, it can be brought to the library and recharged during the school day.*
- ✓ *Kindle check-outs are for the same period as books (renewals are only possible if no one else wants the Kindle).*
